Subject: Notification letter - Proposal for the Specific Action - ISF/2022/SA/2.2.1 - European Multidisciplinary Platform Against Criminal Threats (EMPACT) – ISF/2022/SA/2.2.1/012

Dear Ms Mihai,

We have the pleasure to inform you that the application ISF/2022/SA/2.2.1/012 *CCH - EUROPEAN OPERATIONAL TEAM Costa del Sol*, in which you participate, has been selected with recommendations for the partnership to take on board:

Project reference	Role (Lead or Partner)	Recommendations
ISF/2022/SA/2.2.1/012	Partner	<ul style="list-style-type: none"> The project has to involve Customs/Tax authorities and possibly a liaison from MAOC-N. There is an interest to establish a connection with the action on “the trafficking of cocaine in maritime consignments” developed by Spanish Customs in the LEWP/Customs action plan. The partnership must ensure a scrutinized approach to make sure that the project/EOT all at once (i) articulates whenever relevant with, (ii) does not duplicate with, (iii) nor compensate Europol’s OTF (operational task force) grant scheme. The partnership must systematically use the EMPACT logo (as defined in the EMPACT Joint Communication Strategy), and design a tailored communication strategy

		whenever investigations/action days/activities supported by the project lead to results.

The Commission services expect that the **Managing Authority makes sure that the Member State takes on board the recommendations** before finalising the project arrangements with the beneficiary and informs the responsible desk officer accordingly.

In case of a transnational specific action, **the Managing Authority of the Lead Member State (in this case: SPAIN) should confirm that on behalf of the partnership** to the relevant desk officer.

Funding for the specific action as set out in **Annex 1** of this letter will be added to your programme **CCI 2021RO65ISPR001** at the time of the approval of the initial programme or via an amendment.

Annex 1 also gives you general guidance on which sections of your ISF programme will need to be adjusted to incorporate the selected specific action. The technical implementation of the adjustments in SFC depends on the status of the ISF programme.

Therefore, the responsible desk officer, Ms Raluca HARALAMBIADE (Raluca.HARALAMBIADE@ec.europa.eu), will shortly contact you with technical guidance on how to proceed, depending on the current status of your ISF programme in the programming cycle.

Annex 2 also provides information on the distribution of the additional allocation per year.

The specific action must be implemented by the Member States in accordance with the ISF Regulation (Regulation (EU) 2021/1149) and the Common Provisions Regulation (Regulation (EU) 2021/1060).

Yours sincerely,

(e-signed)

Your desk officer will be in touch with you regarding this.
